The teachers were the guests of Mrs. E. M. Borgens. After the Pastor opened the meeting with prayers, the two lessons for the following two Sundays were thoroughly prepared, namely: "The Flight into Egypt" and "The Child Jesus in the Temple."

After a discussion of visual education in the SS, the invitation was extended to Mrs. Martens of the British and Foreign Bible Society Office to attend our next Teachers' meeting and favour us with a demonstration of her method.

It was decided to order from Concordia Publishing House six copies of each Books I + II of "The Life of Christ Visualized" for award purposes.

Each teacher will be held responsible for the awards in his or her class.

The meeting concluded with the Lord's Prayer.

Pastor H. F. Daelling

28 Jan. 1943

The Sunday School teachers met at the parsonage for the regular bimonthly meeting. After an opening prayer, led by the Pastor, we heard and approved the minutes of the previous meeting. We prepared two lessons in advance: Jesus, the Friend of Children and The Prodigal Son. In the latter lesson we emphasized descriptive story-telling. After a thorough preparation we gave some time to individual problems.

Mrs. Martens of the British and Foreign Bible Society Office was unable to accept the invitation to attend our meeting with a demonstration of visual education on account of illness.

The Pastor reported on the progress made in organizing our first Children's confirmation class in Victoria and asked the teachers to remember also this part of our work in our prayers.

The meeting closed with the Lord's Prayer in unison.

The Sunday School teachers were the guests of Mrs Turner. Prayer opened the meeting. She prepared two lessons: "Mary Anoints Jesus" and "Christ's Entry into Jerusalem." Some attention was given to Jewish customs at the time of Christ and also to the temple worship and customs. More information is desired on O. T. Sacrifices and festivals and on the Temple. After a brief discussion of the Sunday School liturgy the meeting closed with the Lord's Prayer in unison.

Pastor Daelling

11 Mar 1943

All the teachers were present as usual at the meeting held at the Borgens home. After the opening with prayer we prepared Bible History lessons on "The Lord's Supper" and "Jesus in Bethsemano." She emphasized the fact that these passion lessons are not intended to arouse sympathy for the suffering Saviour but to bring home the terrors of sin and the depth of Jesus' love for sinners. --- In addition to dev work we will encourage home work for Juniors and Seniors. --- She will start collections recitation in all devotions now. --- In addition to the award system we resolved to begin a star system to indicate attendance and keep them before the pupils. She closed with the Lord's Prayer in unison. Pastor Daelling

25 March 1943

The Sunday School teachers met at the parsonage. The meeting was opened with prayer by the Pastor. She prepared lesson 14 on "Christ before the High Priest," including Peter's Denial.

Mrs. F. Martens of the local British and Foreign Bible Society was our guest. She favoured us with a fascinating demonstration of visual education in the Sunday School. She showed us how to present the story with the aid of colored cut-out scenes and people placed and moved about during the presentation. This is called the Pictograph ^{or Scripture-graph} method. She added a few object-lessons to bring home certain points.

A hearty vote of thank was extended to Mrs. Martens. Other business was left for the next meeting. She closed by praying the Lord's Prayer in unison.

22nd April 1943

The teachers' meeting at the Borgens home opened with prayer, all teachers present. She welcomed Miss Lorna Oke to the teaching staff; she will teach half of the large class of beginners.

She prepared lessons on the Resurrection and the Lord's Prayer for the next two Sundays.

She planned the seating and classrooms for the various classes when we enter our new rented quarters, the Adventist Church on Graham St. this Sunday, which is Easter.

After a discussion of minor items we closed the profitable session with the Lord's Prayer together.

Pastor Daelling

13th May 1943

The five Sunday School teachers met at the parsonage. The meeting was opened with prayer by the pastor. She heard and approved our record of minutes, after which we prepared lessons on "Mary and Martha" and "The Ascension".

It was thought better to keep the Sunday School material for each class in a separate box or bag at the church in order to save time and keep everything more orderly.

Mrs. Turner reported that there are about thirty-three dollars in the SS treasury.

Each teacher agreed to inquire about materials for picture-graph sets and bring our findings to the next meeting for discussion.

The date for our annual SS picnic was set for June 13th in the afternoon. If the weather forbids this date, we shall try the 27th of June; and the place will be Hillview Beach. Classes will close for the summer recess on the day of the picnic. Probable date for resuming classes in Fall is the 15th of August.

We closed with the Lord's Prayer in unison.

27th May 1943

All five teachers were present at the Turner home for our bi-monthly meeting. He opened with prayer, led by the pastor, and the reading of our record.

The last lesson on New Testament Stories, Pentecost, was prepared for presentation. Then we also studied the first lesson in the Old Testament series, Creation.

It was decided that the Pastor set up a letter, of which each teacher can make copies to send to the parents of Sunday School children in his or her class inviting them to the S.S. picnic on June 13th. The Pastor will also set up a list of addresses for each teacher.

The picnic is to be sponsored by the Young People's Society and is to be given for the Sunday School children and their parents. Any expenses above receipts for the picnic are to be paid from the Sunday School treasury. All work is in the hands of the Y.P.S.

Each teacher agreed to bring along ideas for the games and sports at the picnic to our next teacher's meeting, when we will arrange a program.

It was agreed to examine new systems of attendance records and have them here by the time the Fall term opens.

The meeting closed with the Lord's Prayer in unison.

10th June 1943

The last teacher meeting of the Spring term was held at the parsonage. Mrs. Borgens and Miss Larva & she were absent. The meeting opened with prayer and the reading of the minutes by the pastor.

She prepared the lesson on the creation of man and paradise.

She decided to order two more Teacher's Quarters for the remaining half of this year.

The Pastor is to order attendance record systems for the Fall term, which is to begin on the 15th of August. How many picture-graph sets we get will depend on the price; the lower classes are to be provided first.

Final picnic plans were discussed and the meeting closed with the Lord's Prayer.

Pastor Daelling.

All five teachers were again present at the S. Simpson home for the regular bi-monthly meeting. After the opening prayer and reading of the minutes by the pastor we prepared two lessons for presentation. The Bible History of "Abraham and Lot" was illustrated by the picturegraph method, which we are all using. We briefly studied "Sodom and Gomorrah" with the aid of our Concordia Sunday School Teachers' Quarterly.

The numbers for the figures to be used in the next four lessons were read and taken down by each teacher.

We shall all follow the same system of filing away our picturegraph material, viz. placing all unnumbered background material into one envelope, properly marked, and placing figures 1 to 20 in the first numbered envelope, 21 to 40 in the second envelope, etc. Each teacher will take home the figures every time and file them properly for future use.

The meeting closed with the Lord's Prayer in unison.

Pastor Daelling

23 Sept. 1943

All teachers were present at the Oke home for the regular meeting. Prayer opened the meeting. The pastor presented the lesson on "The Offering of Isaac" by means of the picturegraph and detailed explanation. We briefly studied the lesson on "Jacob and Esau" for the following Sunday also.

We agreed that each teacher is to hand in a slip after every Sunday School lesson to the Pastor, on which is shown the attendance for the day, new pupils, and the names of such as have missed three times in succession. When a pupil is absent two times in succession, the teacher is to send a "The Missed You" card. After the third successive absence the name is to be given to the Pastor, who will call in person.

For the sake of order and proper devotional attitude each teacher will endeavor to be in Sunday School ten minutes before opening and be responsible for the behavior of his or her own class. Only in case of a teacher's inability to control a child shall the child be brought to the Pastor.

The profitable meeting was closed with the Lord's Prayer in unison.

It was agreed that the price of the Christmas cards, sold by the Sunday School, should be fifty cents per box of twelve or five cents apiece when sold separately.

Mrs. Turner will have charge of the cards. Teachers will give cards and collect the money from the pupils in their own classes. Any pupil selling five boxes of cards will be rewarded with a little gold cross or other available award.

Pastor St. F. Doelling

28 Oct 1943

The teachers met at the parsonage for the regular bimonthly meeting. The pastor opened with prayer and the reading of our minutes. He studied the Bible History "Joseph in Egypt" with the aid of the picturegraph.

Hereafter we practised singing the Sunday School Liturgy, which we will use from now on exactly as

written in the Gutterack Manual. Some time was spent on our first plans for a ^{children's} Christmas service. The most favorable date, we decided, for the program is Thursday evening, Dec. 23rd at 7:30. Wednesday evening is second choice. It was announced that, since our supply of 80 boxes of Christmas cards is already exhausted, another order for 80 boxes has been placed with the Messenger Publishers, Toronto. A short discussion of minor details, problems and solutions closed the profitable evening of study and business. The Lord's Prayer in unison closed the meeting.

Pastor St. F. Doelling

11 Nov. 1943

The Sunday School teachers met at the George Simpson home. Miss. Karna Oke was absent on account of illness. Pastor Doelling opened the meeting with prayer and the reading of the minutes. He then conducted an instruction period on "How to Review", demonstrating it with a review of the lessons in the last quarter.

The teachers will keep the picturegraph figures for Genesis on file and use what they need of them also for lessons in Luke, being careful to return figures to the proper set.

It was announced that our second shipment of eighty boxes of Christmas cards is now here.
